FOR IMMEDIATE RELEASE

**HELBER HASTERT & FEE, PLANNERS, INC.
FIRM PROMOTES THREE NEW ASSOCIATES**

Shelley Franklin, Martha Spengler and Jennifer Inouye have been promoted to Associates at Helber Hastert & Fee, according to Tom Fee president of the firm.

Franklin most recently served as the project manager for the US Army Pacific's Command and Control Facility planning study at Fort Shafter, Honolulu. The project recently received an award of excellence from the Army Corps of Engineers. Franklin is a LEED Accredited Professional (LEED AP) and a member of the US Green Building Council (USGBC). She received a Doctorate in Architecture from the University of Hawaii.

Spengler has been with the firm for five years managing complex environmental and master planning projects. Recent projects include updates to Navy Region Hawaii's Integrated Natural Resources Management Plans and the Naval Base Guam Master Plan. She recently earned LEED AP accreditation from USGBC and is a Registered Environmental Assessor.

Inouye joined the firm six years ago and serves as the office manager. She manages the firm's multi-million dollar budget and provides liaison with the firm's outside professionals. Inouye holds a double masters in Business Administration and Human Resources Management from the University of Hawaii and a certification as Professional in Human Resources (PHR).

HHF was organized in 1980 and specializes in land use, facilities and environmental planning throughout the Hawaiian Islands and the Pacific Basin.
