## ***Hawai'i's New Certified Planners for 2011***

**Dr. Peter Flachsbart, AICP**

**Professor and APA – Hawai'i Professional Development Officer**

### **Congratulations to New Members of AICP!**

The American Institute of Certified Planners (AICP) is the professional arm of the American Planning Association. AICP certifies practicing city, regional, and rural planners and promotes continuing education, ethics, and professional development. To join AICP, members must submit an application to APA and take a three-hour written examination. The next opportunity to take the exam will occur during a 12-day period in May and November of 2012. **The deadline to apply for the May exam is January 24th.**

For eligibility requirements and other information about AICP, please visit the national APA Web site ([www.planning.org/acip/index.htm](http://www.planning.org/acip/index.htm)). You can also contact Professor Peter Flachsbart, AICP, who is the Chapter's Professional Development Officer. You can reach him either by phone (956-8684) or email ([flachsba@hawaii.edu](mailto:flachsba@hawaii.edu)) at the University of Hawai'i at Mānoa. He typically offers free review sessions prior to the exam, if there is sufficient demand.
