A Publication of the Hawaii Chapter of the American Planning Association

Former U.S. Vice President Al Gore to Present the Stephen and Marylyn Pauley Seminar in Sustainability at the University of Hawai'i at Mānoa

Presented by:

University of Hawai'i at Mānoa Chancellor Tom Apple, U.S. Senator Brian Schatz, and the University of Hawai'i Sea Grant College Program

April 15

The seminar is part of the Stephen and Marylyn Pauley Seminar in Sustainability series, organized by the University of Hawai'i Sea Grant College Program and co-hosted by the University of Hawai'i at Mānoa, the University of Hawai'i Foundation, and other partners, which periodically hosts speakers of the highest distinction. The University's most prestigious seminar series honors the Pauley Foundation's significant support of the University of Hawai'i, Dr. Stephen Pauley's remarkable individual sustainability efforts, and Mrs. Marylyn Pauley's national and visionary leadership in higher education.

The free seminar is co-hosted by the University of Hawai'i Sea Grant College Program, the University of Hawai'i at Mānoa Chancellor's Office, and the University of Hawai'i Foundation. It will be held at the Stan Sheriff Center which can accommodate approximately 10,000 people.
