

Articles of Interest – Summer 2016 **U.S. Department of Housing and Urban Development**

Jeff Merz, AICP – Planner with AECOM

As they have done in the past, the HUD USER program offers APA chapters use of recent relevant articles for their readership. HUD User, the online clearinghouse for HUD's Office of Policy Development and Research (PD&R), is the primary source for federal government reports, forums, statistics, and articles on housing policy and programs, building technology, economic development, urban planning, and other housing-related topics. To follow any of the articles below, press "Ctrl" and left click mouse over the title.
