The Office of Environmental Quality Control's
Hawai'i Environmental Policy Act Guidebook and Rules Update

Wednesday, September 6, 2017
AIA Center for Architecture
Check-in begins at 11:45 a.m. Presentation begins promptly at noon.

[CLICK HERE TO REGISTER](#)

Hawai'i Administrative Rules (HAR) Chapter 11-200, Environmental Impact Statement Rules, were last promulgated and compiled in 1996, with an uncompiled amendment in 2007 to add an eleventh exemption category for the acquisition of land and existing structures for affordable housing. Since 1996, the State Legislature has made numerous amendments to Hawai'i Revised Statutes Chapter 343 and Hawai'i's courts have issued decisions affecting the interpretation and practice of environmental review. The Environmental Council is undergoing a process to update HAR Chapter 11-200. Director Glenn will speak about the Council's process and proposed revisions. OEQC's website and resources can be found at: <http://health.hawaii.gov/oeqc/>

Speaker:

Scott Glenn, AICP, is the Director of the State of Hawai'i Office of Environmental Quality Control. He advises the Governor on environmental matters and serves as the Co-Chair of Governor Ige's Sustainable Hawai'i Initiative. The Office administers the state environmental review process and provides advice and technical assistance to government agencies, businesses, and community groups. The Office also provides administrative support to the Environmental Council, on which the

OECC Director serves as an *ex officio* member. The Environmental Council is tasked with promulgating administrative rules for the environmental impact statement process under Hawai'i Revised Statutes Section 343-6. Scott is currently leading the effort to update the administrative rules as Council Rules Committee Chair.

The cost is \$10 for members, \$15 for non-members, and free for students. The conference room accommodates up to 49 people, so please sign up early to guarantee a seat. You may bring in outside food to the presentation. Please note that food will not be served otherwise. Also, validated parking will not be provided.

Neighbor Islands and Out-of-State Participants: If you are interested in attending this event remotely, please register online and then notify us at least 48 hours before the event with your confirmation number at apahi.program@gmail.com. Following your RSVP, we will send details to connect via GoToMeeting.

AICP Members: This event has been submitted to APA for CM credits (1.0 credit). After attending the event, you should be able to register the CM credits.
